

NEW YORK STATE RACING AND WAGERING BOARD
DIVISION OF HARNESS RACING

IN THE MATTER OF LUIS ("LOU") PENA

NOTICE OF SUSPENSION
AND HEARING
(MO 141-2012)

PLEASE TAKE NOTICE that the occupational licenses of you, Luis ("Lou") Pena, to participate in pari-mutuel harness racing as an owner, trainer, or otherwise are hereby SUSPENDED IMMEDIATELY pending the disposition by the Board of the scheduled hearing before the New York State Racing and Wagering Board or, if you refuse such hearing or default in appearing, SUSPENDED until such time as the Board in its discretion takes further action, including but not limited to license suspension or revocation or refusal to license.

YOU ARE FURTHER NOTIFIED that a hearing in this matter will be held at 10:00 a.m. on Wednesday, May 30, 2012, at Board offices located at One Broadway Center, Suite 600, Schenectady, New York, at which time you may be represented by counsel and present evidence and arguments on your own behalf.

This action is taken pursuant to Racing, Pari-Mutuel Wagering and Breeding Law ("Racing Law") §§ 309 and 321; 9 NYCRR §§ 4101.24, 4120.2, 4120.4, 4119.7, 4119.9, and State Administrative Procedure Act § 401, upon a finding of the Board that the public safety and welfare imperatively require this emergency action in that your continued participation in racing is a potential cause of civil unrest and public harm and further could result in an impairment of the public's confidence in pari-mutuel racing in New York State and have an adverse affect upon substantial State and public revenues and revenues to the industry in general generated by pari-mutuel racing, in that, under the present circumstances you lack the general character and fitness for continued participation in pari-mutuel racing and your continued participation in pari-mutuel racing is presently inconsistent with the public interest, convenience and necessity and with the best interests of racing generally, based upon the circumstances and charges stated more particularly hereinafter.

The disposition of these matters may result in the revocation or suspension of your license, your exclusion from all racetracks in New York State, and the imposition of fines. In particular, at the scheduled and any adjourned dates of your hearing you are notified to show

cause why, pursuant to Racing Law §§ 309 and 310, Article 3 of the State Administrative Procedure Act, and 9 NYCRR part 5402, the Board should not fine you in an amount not exceeding \$25,000 per violation, suspend and/or revoke your license(s) to participate in pari-mutuel racing, and exclude you from all New York State racetracks whether as a licensee, participant, or patron, pursuant to Section 309(2) of the Racing Law and the applicable Board rules at 9 NYCRR, because on 675 occasions between January 2010 and April 2012 you were responsible for the racing of illegally drugged harness horses in pari-mutuel races in New York State, as follows:
